### **Coronavirus / Covid-19 Update, Vol. 19 June 11, 2020**

Hello Friends,

We continue to make progress through the pandemic. Countrywide the hospitalization rates continue to fall. We have seen the virus making a resurgence in States where people have been too relaxed in social distancing and masking. The State of Connecticut still requires residents in public places to wear masks. Gatherings are still restricted by numbers.

The Town Office remains closed, but officials are working regular hours and can be reached by phone or email. Taxpayers are encouraged to send tax-payments to the tax collector:

Hammond Beach will be opened on June 20<sup>th</sup> for residents with passes. Passes are available from the Selectmen Office (860-672-4959) or [cwselectmen@optonline.net](mailto:cwselectmen@optonline.net). Cornwall resident family beach passes are \$20, or \$10 for individuals. To acquire a beach pass please send cash or check made out to Town of Cornwall along with a self-addressed and stamped envelope to: Selectmen's Office, Box 97, Cornwall CT, 06753. The beach protocols and regulations have been revised for Covid-19 preventions. Short stays are encouraged and wearing masks is required.

Our Food & Fuel Fund has allowed Cornwall to provide a thorough service to our residents in need. (Box 97, Cornwall, CT 06753) This week donations from the Grange at Ellsworth and residents allowed us to also provide vegetable plants.

The work of our volunteers is thoroughly appreciated. Heather's wish list for the week is:

- Oil - olive and vegetable
- Canned green beans and corn
  - Italian Dressing
- Shampoo and Conditioner
- Juices (bottles, boxes, etc)
  - Strawberry Jelly
  - Tomato soup
- Chips and kids snacks

Donated items can be delivered to the back of the UCC Church on Bolton Hill Rd. in Cornwall Village.

Thanks for your help and cooperation.

Sincerely,

Gordon Ridgway
