

MEETING

West Cornwall Water/Septic Study Group

May 9, 2017 at 5pm at Ian Ingersoll's Shop in West Cornwall

Members Present: Richard Griggs (RG), Ian Ingersoll (II), Libby Mitchell (LM), Priscilla Pavel (PP), Todd Piker (TP) and Joanne Wojtusiak (JP) Absent: David Dolinsky (DD); also present Ex Officio Member: Gordon Ridgway (GR).

The meeting was called to order by TP at 5:00pm

WC community members attending: Nick Stuller and John O'Neil

Minutes from the February meeting were accepted as presented.

TP expressed gratitude to LM for her efforts to ensure the success of the site visits that John Wengell, WMC partner, will be doing on Saturday, May 13th in West Cornwall. She reached out to a number of homeowners and received very positive reactions and offers of cooperation. At this time, Wengell will only be conducting visual inspections of homeowner properties.

Notice of the up-coming inspections was posted on the Cornwall Network by RG and on posters placed around West Cornwall by LM.

II has put together a list of email addresses for all the property owners on Main Street and it was agreed that we should try to develop an email list that includes all the property owners in WC. JW suggested that the email addresses be placed in Outlook so that it can be easily accessed, manipulated and used for mailings. TP suggested a sub-committee to work on gathering the email addresses and LM and JW volunteered to work with him.

TP said we will wait to hear from WMC before we decide whether or not to meet on June 13th.

Respectfully Submitted,

Joanne Wojtusiak Secretary
