

WC Septic Sub-Committee Meeting
Tuesday, March 15, 2016 at 9:30 am
at 358 Furnace Brook Road, Cornwall Bridge, CT 06754

Attendees: Libby Mitchell and Joanne Wojtusiak.

The full Committee had charged the sub-committee with the responsibility to draft a RFQ letter based on the detailed QBS guidelines outlined in the manual we received at the last meeting. The draft will be reviewed by Todd Piker (who is away on vacation) and Gordon Ridgway and any suggestions they have will be incorporated and a finalized draft will be sent to the entire Committee. At our next meeting on April 14th comments and suggestions will be solicited and a final draft will be approved and mailed to the identified firms. The meeting was adjourned at 11:15am
