Town Hall News - Thanksgiving

The Town is thankful to be able to provide food for residents in need. Over forty families received turkeys, pies and more thanks to the efforts of Social Services Director Heather Dinneen and her crew. The Food & Fuel fund has also provided support to families in other ways recently. Donations are most welcome at Food & Fuel Fund, Box 97, Cornwall CT 06753.

Holiday gift donations can be dropped off inside the back doors to the UCC Church at 8 Bolton Hill Rd, in Cornwall Village. Suggested gifts include any kind of art supply, Lego, Play Doh or craft it. A more specific list of items can be found by following this link: [Cornwall Holiday Wish List](#)

Thanks to James La Porta for powering the solar tree on the green at Cornwall Bridge. The switch will be thrown at 5:00 PM Friday November, 26 for those wishing to attend.

Happy Thanksgiving,

Gordon Ridgway,
First Selectman
Town of Cornwall
