## Town Hall News

Dear Friends,

Welcome to winter in Cornwall! With the first dusting of snow residents are reminded to prepare for beautiful but challenging weather conditions. Please make sure your car has good snow tires, and please park off the roads to make it easier for plow truck drivers.

Mohawk Ski Area is planning to open this weekend with skiing for the whole family. Residents are also urged to participate in the Economic Development Commission's Buy/Hire Local Campaign. The decoration of the local businesses with the popular twelve days of Christmas displays are scheduled to return.

New Covid cases in Cornwall have lessened in the past week. The positive rate in Connecticut remains high – as it does in many places. Fortunately, there are many opportunities to get vaccinated or boosted – as is currently recommended by the CDC – at CVS, Walgreens, or this Saturday Dec. 4 at North Canaan Town Hall (100 Pease Street) 10 AM – 4 PM. (see flyer on p. 2) Vaccination is the only path toward containing this public health emergency – which has gone on longer than any of us would like.

This is a good time of year to remember those less fortunate by participating in the Holiday gift drive or by contributing to the Food & Fuel Fund. I would also like to thank the many people who volunteer their time and talents to make Cornwall a great place to live in all seasons.

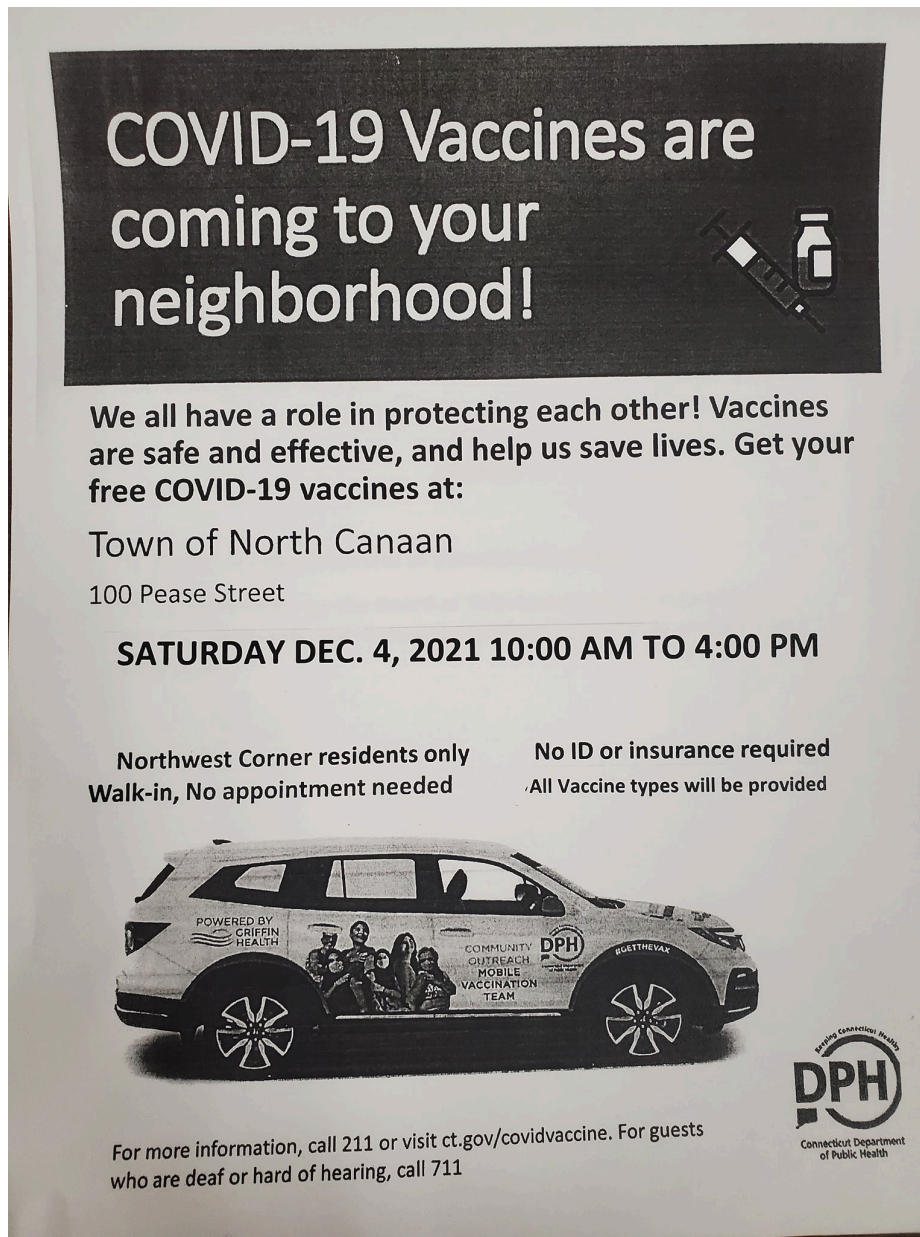

Social Service Director Heather Dinneen's food and children's holiday gift wish lists can be found via the following links:
