

Town of Cornwall

Coronavirus / Covid-19 Update, Vol. 64 February 17, 2022

Hello Friends,

The Board of Selectmen is presenting its budget to the Board of Finance tonight at 7:00 PM for their consideration. Our spending increase is proposed to go up about 1% overall while accomplishing some necessary initiatives at the same time. The zoom link and agenda can be found on the [Cornwall website](#).

Also, we should continue to be vigilant concerning covid. Infection rates of omicron variant continue to decline in Connecticut although we are still seeing some cases in Town. Free masks are available at the local post offices.

Also, free covid test kits are available by emailing Cornwalltestquestions@gmail.com. And finally, vaccinations / boosters are still a good way to prevent severe cases and are available at:

- Housatonic Valley Regional High School – Feb. 18, 2022, 3:00 - 7:00 p.m. (Ages 12+)
- [Marvelwood School 476 Skiff Mt. Rd., Kent](#) – Feb. 19, 2022 11:00 - 3:00 p.m. (Ages 12+)
- Housatonic Valley Regional High School – Feb. 25, 2022, 3:00 - 7:00 p.m. (Ages 12+)

Covid Test Site in Kent: [Click Here](#)

- Tuesday and Thursday 3:00 - 6:00 and Sunday 4:00 - 6:30 @ the Kent Transfer Station, 46 Maple Street, Kent, CT

Covid Vaccine Clinic search by zip code: <https://www.vaccines.gov/search/>

Covid vaccination and booster appointments are also available from:

Walgreens – [Covid Vaccine Appointment at Walgreens](#)

CVS – [Covid Vaccine Appointment at CVS](#)

Kent Pharmacy – [Health Mart Covid Vaccine Appointment](#)

Thanks for all your help.

Sincerely,

Gordon Ridgway
First Selectman
Town of Cornwall, CT
