1	<p><u>Update Engineer:</u></p> <p>a) <u>Boring</u> Stephen McDonnell provided an update on the boring. Boring got done, took almost all day due to very large boulders and possible bedrock that was shallow. Able to get down 16 feet deep and hit ground water around 13 feet deep. No project concerns reported. Boring took place at the edge of the of the parking lot. More boring will be done further down the project once design is completed. Soil sample was taken and will run some SIS</p> <p>b) <u>Environmental study review</u> - Stephen McDonnell stated contract was made with Eagle Environmental to do the environmental study review. Under \$5,000 to do the review, should be done in a couple of months. Kickoff meeting with Eagle Environmental mid to early next week.</p> <p>Discussion ensued among committee members on the above topics.</p>
2	<p><u>New Owners at 406 Sharon Goshen Turnpike</u></p> <ul style="list-style-type: none"> Erik and Helen Tietz are new owners of 406 Sharon Goshen Turnpike, purchased from William Betts. They also purchased the old book store. <p>Discussion ensued among committee members on the above topic.</p>
3	<p><u>Public Comment</u></p> <ul style="list-style-type: none"> Riley Klein, Lakeville Journal – asked for clarification on the 406 Sharon Goshen Turnpike address and usage and name of new owners.
