

CORNWALL TOWN HALL NEWS

April 8, 2024

Hello Friends,

We are relieved to have made it through the earthquake with little apparent damage. The turn to Spring weather is most welcome. The daffodil bulbs and other early flowers around the Town Hall, planted by the Cornwall Garden Club, have popped up. Thanks to the Club workers.

The West Cornwall retaining wall project will start on April 15th and last for two weeks. During that time, River Road will be closed to traffic. People will have to detour around the work zone. Efforts are being made to keep the road closure time to a minimum. [Click here to see the notice](#)

Roads in the northeast part of town will be resurfaced in the last part of April. This includes Lake Road, Town Street, and roads in Cornwall Hollow. We use stone instead of sand seal because it lasts longer and creates less dust.

On April 19th at the Cornwall Library on Pine Street at 7:30pm, there will be a Special Town Meeting to authorize funds to complete road repairs. Following the Town Meeting there will be a hearing of next year's budget, also at the library. Residents are urged to attend and hear budget details. The draft budget will be available on the Town's website ahead of the hearing. [Click here to view the Notice for Special Town Meeting.](#)

There will be another round of Covid vaccinations available on 4/24/2024 from 11:00am-4:00pm at Town Hall. [Click here for more details](#)

A townwide cleanup is occurring on April 27th, from 9:00am-1:00pm. Meet at Foote Field to get a "clean up kit". Thanks to C&M Carting. [Click here for more details](#)

The town is also advertising openings for lifeguards at Hammond Beach and a highway department worker. Please contact the Selectmen's office at selectmen@cornwallct.gov for more information or to apply!

Please enjoy this fine weather!
