REQUEST FOR RELEASE OF FUNDS

On or about at least one day after the end of the comment period the Town of Cornwall will submit a request to the HUD for the release of Community Project Funding Grant funds under Title II--Department of Housing and Urban Development of the Consolidated Appropriations Act, 2022, (P.L. 117-103) to undertake a project known as Wastewater-Treatment-Facility for the purpose of building a wastewater treatment facility in the village of West Cornwall. The project would serve houses and businesses on Sharon Goshen Turnpike, Lower River Road, and Railroad Street. The estimated cost of the project is \$6,230,000. The town has secured a Community Projects Funding Grant through HUD in the amount of \$3,000,000 and the balance of the project costs would be financed by the general obligation bond of the Town of Cornwall. The wastewater treatment facility is planned to be located to the rear of the parking lot located at 406 Sharon Goshen Turnpike.

The Town of Cornwall has determined that the project will have no significant impact on the human environment. Therefore, an Environmental Impact Statement under the National Environmental Policy Act of 1969 (NEPA) is not required. Additional project information is contained in the Environmental Review Record (ERR) on file at Town of Cornwall, First Selectman's office, 24 Pine Street, Cornwall CT 06753 or online at www.cornwallct.org and may be examined or copied weekdays 9 A.M to 12 P.M. and 1:00 P.M to 4:00 P.M
