

DON'T LET YOUR DRIVEWAY LOOK LIKE THIS!

And don't contribute to the cause of this!

Essex Hill Road Jan. 2024

The Cornwall Conservation Commission and the Planning and Zoning Commission are co-sponsoring a talk on **Stormwater Management and Low Impact Development** by Engineer Steven D. Trinkaus on:

July 10, 7:00 pm Cornwall Library- Hybrid format

Engineer Trinkaus is widely known for his work on Low Impact Development and has written Low Impact Development manuals for a number of towns in CT. There is a lot the homeowner can do to prevent washouts and floods. Learn more on July 10.
