Call to Order	5:00 pm
1.	<p><u>Welcome – Todd Piker</u> Todd Piker, Chair, welcomed everyone to the meeting – excited to get the committee meeting again and get things moving forward. The committee will be getting back to a regular meeting schedule of the 2nd Tuesday of the month at 5:00pm, noting that these meetings are open to the public and the public is encouraged to attend.</p>
2.	<p><u>Review of Past – Gordon Ridgway</u> Gordon Ridgway, First Selectmen, started off with introductions around the room of committee members and attendees, noting it has been a long time since the committee last met. A history and review of the steps taken for this project by the committee and town hall was shared. Discussion ensued on various parts of the process to date, including dialog with the representatives from National Park Service and Housatonic River Commission, who shared their eagerness to work with the committee and town to make this project a success.</p>
3.	<p><u>Future Plans – Stephen McDonnell</u> Stephen McDonnell, Engineer with WMC Engineers, discussed the plans to move forward with the design process which include wetlands delineation surveys, topographic and boundary surveys, and geotechnical investigations. Discussion ensued on the design plans and timeline.</p>
