Municipal Clerk

RE: Declaration of Emergency

Dear Clerk:

Due to the drought conditions in our state and the Town of Cornwall, which has led to forest fires within our region, I am declaring an emergency declaration banning open burning including campfires and burn pits in the Town of Cornwall until conditions change, pursuant to [Connecticut General Statutes Section 28-8a\(a\)](#).

I am filing this with you on this 30th day of October .

Signed,

Chief Executive Officer
