

CORNWALL TOWN HALL NEWS

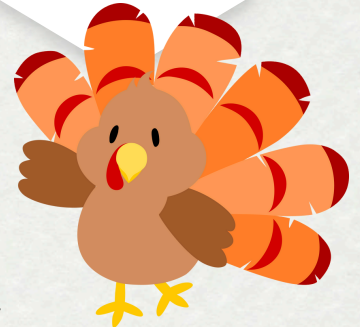

T H A N K F U L

November 27, 2024

Hello Friends,

We in Cornwall have plenty to be thankful about this holiday season.

Cornwall had the highest voter turnout in the state in this November election, at over 90%. Thanks to the many workers, who put in long hours to make the process smoothly, and all the voters.

Recent rains have made it possible to lift the drought inspired burning ban. Residents still are required to follow the proper procedures and obtain a burn permit at the Selectmen's office before burning brush. [Click here to see updates.](#)

As snow and cold weather are in the forecast people are urged to get prepared now. Useful advice can be [found here](#). To be added to the town's critical resident list to be checked on before or after a storm, please email the selectmen's office selectmen@cornwallct.gov or assistant@cornwallct.gov

A record amount of Thanksgiving meals were distributed by the faithful volunteers at the food pantry last Sunday. Thanks to the workers and donors who have made this possible. Donations are always welcome!

Monetary donations can be sent:
