

CORNWALL TOWN HALL NEWS

June 25, 2025

Hello Friends,

I hope you have been okay beating this latest heat wave. Thanks to the Library and other air-conditioned spaces, our merchants for keeping us supplied with cold beverages, our first responders who have had to go on calls at all hours, neighbors checking on neighbors, and lifeguards keeping summers safe. The Town did receive an advisory yesterday that a test from June 10th did indicate elevated E. Coli counts at the Town Beach. The TAHD advises swimmers to: Not submerge your head or drink lake water, and to shower after swimming. More testing has been done and we will keep you updated on results and recommendations. For more information on staying cool in the heat, [click here](#).

Residents should also be aware that there is a big NASCAR race at Limerock Park this weekend. Increased traffic leading to Limerock Park should be anticipated.

Congratulations to Karen Nelson, Cornwall's longtime land use administrator on her upcoming retirement. Her replacement, Spencer Musselman of Goshen, will be starting July 2nd. Spencer's tentative office hours will be Monday and Wednesday 7:30am-10:30am and Thursday appointment only.

Good News! Julyfest is scheduled for July 13th for music, food trucks, and fun on the town green from 5pm-8pm.

Sincerely,
Gordon M. Ridgway
1st Selectman

Jane Hall
