

CORNWALL TOWN HALL NEWS

July 3, 2025

Hello Friends,

We would like to wish you a fun and reflective July 4th holiday weekend. Town resident, Warren Stevens, will do a musket salute on the Town Green at noon on Saturday July 5th.

4th OF July

The celebration of July Fest with food and music will happen on the Town Green on Sunday July 13th from 5 to 8pm. Come listen to the Joint Chiefs with your neighbors, the food trucks will start serving at 5pm.

In time for the holiday beach scene, the Town just received word from Torrington Area Health District that the E. Coli June 14th test levels at the beach have decreased since the June 10th test levels. Advisory to "maintain swimming as usual" is welcome. The TAHD will continue to test.

Happy Independence Day!
